## CampusGuard's Payment Advisory Services Transforms to Treasury Solutions

LINCOLN, NEBRASKA—CampusGuard, a full-service cybersecurity and compliance services firm, is announcing its Payments Advisory Services offering has been renamed to Treasury Solutions to better align with the capabilities we offer.

“We opted to choose a name that better represents the comprehensive treasury and payments services we offer,” said Ruth Harpool, Payment Services Advisor. “Treasury Solutions understands the complex environment and unique payment requirements of campus and community-based organizations. Our extensive services demonstrate our broad knowledge of the payments space and our desire to serve as your industry expert resource.”

Treasury Solutions' capabilities include:

- Payment Assessments
- Payment Rules and Regulations Assessments
- Research, review, and recommendations on new payment technologies, trends, and solutions
- Write RFP scopes or manage the entire RFP process
- Manage implementations of treasury and payment-related products and services
- Policy and procedure development
- Develop and write treasury and payments-related job descriptions
- Review account analysis statements to identify cost savings

Organizations and government entities choose CampusGuard's Treasury Solutions team to help them reduce costs, increase their revenue, streamline their operations, and improve the standardizations and efficiencies of their payment programs. Our industry insights and hands-on experience enable you to customize and deliver a better end-user while helping to ensure that every payment process is modern, safe, secure, and compliant.

“Our dedicated team continues to be informed of new requirements, rules, and trends and offers consulting services, support, and assessments on your current payment processes and options for new payment technologies and solutions that will promote cost savings and improve operational efficiencies,” Ruth said.
